

Prophetic pictures from our time

## **THIS IS A PERSONAL INVITATION FOR YOU**

### **A unique site**

This is not a typical website but a deepening well from which you can draw fresh insights & personal strength. This is years of work in progress that is continually developing over time.

**Current prophecies with current news events**

---

**Yes we can really read the future today**

---

**God is waiting to manifest Himself personally to you**

---

**Eternal life is not a chance event but we are in preparation**

---
